

English

As authors, we will continue Whole Class reading of a range of different text types. We will also continue learning the Year 3 spelling rules, punctuation and grammar features. To begin the term, we are going to be poets writing poetry using our thoughts and feelings. We will be researching the food bank and writing non-chronological reports. We will also be creating our own healthy recipe and then writing instructions to make these treats!

Physical Education

As athletes, we will be gymnasts learning to sequence movements together. In hockey we will be passing, dribbling a ball and playing hockey in teams.

Religious Education

In RE, we will be learning about Hinduism. We will look at why Hindus want to collect good karma.

French

As linguists, we will be learning how to say different fruits in French.

Kingfisher Class: **What is the difference** **between surviving and** **being healthy?** **Spring Term 1 2026**

Art

As artists, we will experiment with colour mixing, collage and printing. We will evaluate the work of artists Itsuo Kobayashi and Warhol, and then use this information to inspire our own artwork, which we will then display in our very own art gallery!

Scientists

As Scientists, we will be learning about what we need to grow and have a healthy diet. We will find out about the skeletons and muscles of humans and other mammals. Our end of enquiry challenge will be to create a 'food and art' exhibition!

Design and Technology

As engineers, we will be preparing and cooking a healthy savoury dish using a range of cooking techniques.

Mathematics

As mathematicians, we will be learning about multiplication and division. We will continue to focus our learning on the 3, 4 and 8 times tables and will use these to multiply and divide. We will also be learning more formal written methods for multiplication and, in division we will be finding remainders. Our daily arithmetic and times table practice will also continue.

Music

As musicians this term, we will use storyboards to sequence and structure a music video about 'being safe online'.

PSHE

In PSHCE, we will be thinking about our dreams and goals and setting ourselves challenges for the year ahead.

Computing

We will explore the concept of sequencing and programming using Scratch. We will be introduced to a selection of motion, sound, and event blocks which we will use to create our own programs, featuring sequences.
