

EYFS Policy

2026

Member of staff responsible: Victoria de Villiers

Date policy written: January 2026

Date approved by the Full Governing Board:

Date to be reviewed: January 2029

Vision

Our vision is to cultivate an inclusive, open and welcoming learning environment where Respect, Kindness, and Friendship form the foundation of strong relationships.

We are committed to valuing and nurturing every child's curiosity, celebrating diversity, and recognising their unique talents.

Through instilling Trust, Responsibility, and Resilience, we empower children to develop a love of learning, foster self-belief, and confidently embrace challenges preparing them to make positive contributions to their communities and society.

Introduction

The Early Years Foundation Stage (EYFS) applies to the learning and development of all children from birth to the end of the Reception Year, which in Wyke Primary School, is called Wren Class.

Early childhood is the foundation on which children build the rest of their lives. It is not just a preparation for the next stage but is vitally important in itself.

Learning for children is a rewarding and enjoyable experience in which they explore, investigate, discover, create, practice, rehearse, repeat, revise and consolidate their developing knowledge, skills, understanding and attitudes. During the Foundation Stage, many of these aspects of learning are brought together effectively through playing and talking.

Aims/Objectives

At Wyke Primary School we aim to provide the highest quality care and education for all our children thereby giving them a strong foundation for their future learning. We create a safe and happy environment with motivating and enjoyable learning experiences that enable children to become confident and independent learners. We value the individual child and work alongside parents and carers to help every child reach their full potential.

As outlined in the 'Statutory Framework for Early Years Foundation Stage':

'Every child deserves the best possible start in life and the support that enables them to fulfil their potential. Children develop quickly in the early years and a child's experiences between birth and age five have a major impact on their future life chances.'

Statutory Framework of EYFS

We adhere to the 'Statutory Framework of the EYFS' and the four guiding principles that shape practice within Early Years settings:

- Every child is a **unique child**, who is constantly learning and can be resilient, capable, confident and self-assured;
- Children learn to be strong and independent through **positive relationships**;
- Children learn and develop well in **enabling environments**, in which their experiences respond to their individual needs and there is a strong partnership between practitioners and parents/ carers;
- **Children develop and learn in different ways and at different rates.**

As part of our practice we:

- Provide a balanced curriculum, based on the EYFS, across the seven curriculum areas, using play as the vehicle for learning;
- Promote equality of opportunity and anti-discriminatory practice.
- We provide early intervention for those children who require additional support;
- Work in partnership with parents and carers;
- Plan challenging learning experiences, based on the individual child, informed by observation and assessment and by the children's own ideas and interests;
- Provide opportunities for children to engage in activities that are adult-initiated, child-initiated and adult supported;
- Provide a secure and safe learning environment indoors and outdoors.

Early Years Foundation Stage Curriculum

We plan an exciting and challenging curriculum based on our observation of children's needs, interests, and stages of development across the seven areas of learning to enable the children to achieve (and sometimes exceed) the Early Learning Goals.

All seven areas of learning and development are important and interconnected.

Three areas are particularly crucial for igniting children's curiosity and enthusiasm for learning, and for building their capacity to learn, form relationships and thrive, both in the EYFS and into Key Stage 1. These three areas are the **prime** areas:

- Communication and Language
- Physical Development
- Personal, Social and Emotional Development

Children are also supported through the four **specific** areas, through which the three prime areas are strengthened and applied:

- Literacy
- Mathematics
- Understanding the World
- Expressive Arts and Design

In planning and guiding children's activities, practitioners must reflect on the different ways that children learn and reflect these in their practice.

Three characteristics of effective teaching and learning are:

1. **Playing and exploring** - children investigate and experience things, and 'have a go'.
2. **Active learning** - children concentrate and keep on trying if they encounter difficulties.
3. **Creating and thinking critically** - children have and develop their own ideas, make links between ideas and develop strategies for doing things.

Children are provided with a range of rich, meaningful first-hand experiences in which they can explore, think creatively and be active. We aim to develop and foster positive attitudes towards learning, confidence, communication and physical development.

We create medium term plans based on a series of enquiries each of which offers experiences in all seven areas of learning.

At the beginning of each enquiry the children are encouraged to share what they already know and ask questions, which then leads the direction our enquiry takes. We record our enquiry learning in a class 'Floorbook'. The children's questions, alongside our observations - identify areas to focus on.

We always remain flexible to allow for unplanned circumstances and children's responses. Our planning is continually evaluated by all staff to ensure that children's individual 'Next Steps in Learning' and personalised learning needs are met.

Children will engage in whole group and small group activities alongside their independent learning. There are also allocated times for whole class daily 'carpet learning sessions'.

The curriculum is delivered using a play-based approach as outlined by the EYFS framework:

'Each area of learning and development must be implemented through planned, purposeful play and through a mix of adult-led and child-initiated activities.'

We plan a balance between children having time and space to engage in their own child-initiated activities and those which are planned by adults. During children's play, the adults in class interact when appropriate to stretch and challenge them further.

In planning and guiding children's activities, we reflect as practitioners on the different ways that children learn and build these into our practice. We create a stimulating learning environment to encourage children to free-flow between inside and outdoors as far as possible.

Observations and Assessment

As part of our daily practice we observe and assess children's development and learning to inform our future plans. We record our observations in a variety of ways and everyone in class is encouraged to contribute.

Observations of children's achievements are collated in their own personal, online 'Tapestry' Learning Journal. Parents/carers receive a notification when an observation has been added to their child's Learning Journal and they can view this observation and any related photographs/ videos and assessments.

Parents/carers are also encouraged to add their own observations from home which the children then share in class. Children's 'Next Steps in Learning' are often added to observations so that parents/carers know how to help support their children with their learning at home.

These ongoing observations are used to inform the EYFS Profile/Development Matters bands. The children's progress is reviewed continually.

Throughout their time in Reception, parents/carers are welcomed in to share their children's learning; both informally through our 'open door' policy and more formally during parent/teacher consultations.

At the end of the year the EYFS profile provides a summary of every child's development and learning achievements including whether they have reached a 'Good Level of Development' (GLoD). Children are assessed against the Early Learning Goals (ELG) by the class teacher/s - who use exemplification documents, and their knowledge of the children to make a 'best fit' judgement.

The children are assessed as achieving a 1 or 2 against each area of the EYFS curriculum:

- 1 = Emerging ELG – not yet meeting the expected level
- 2 = Expected ELG – meeting the expected level

Teachers are moderated on a three year cycle by Dorset County Council.

This profile data is the statutory data that is sent to the Local Authority and used to help school benchmark and identify improvements.

Safety Including Safeguarding and Welfare Requirements

The safety and welfare of our children is paramount at Wyke Primary School. We have robust policies and procedures in place to ensure their safety.

In Reception we provide a safe and secure environment and provide a curriculum which teaches children how to take risks, follow rules and stay safe. We comply with the welfare requirements set out in the Statutory Framework for Early Years Foundation Stage and understand that we must:

- Promote the welfare of all children;
- Promote good health;
- Manage behaviour effectively and appropriately;
- Ensure all adults working with children are suitable to do so;
- Ensure that the environment is safe and all equipment and furniture is fit for purpose;
- Ensure all children have a challenging and enjoyable learning experience.

We promote the good health of the children in our care in numerous ways, including the provision of nutritious fruit snacks, access to water throughout the day, allocating significant time for physical development and following set procedures when children become ill or have an accident.

Staff and visitors are prohibited from using their mobile phones in classrooms, only the class iPads are used to photograph children (for Tapestry observations and assessment purposes) and children must be appropriately dressed in photographs.

Wyke Primary School has robust systems in place to ensure that all practitioners who have regular contact with children are suitable for their role.

The EYFS staff hold the Paediatric First aid qualification, which is a statutory requirement of the EYFS.

The Child Protection Policy is in place to ensure the safety of all stakeholders at Wyke Primary School. Backing up this policy is a dedicated safeguarding team which includes three Designated Safeguarding Leads, one of whom is the EYFS teacher. Staff have access to the 'CPOMS' safeguarding system to log any concerns regarding any aspects of safeguarding and behaviour. All staff are vigilant in reporting concerns.

Inclusion

We value all our children as individuals, irrespective of their ethnicity, culture, religion, home language, background, ability or gender. We plan a curriculum that meet the needs of the individual child and support them at their own pace so that most of our children achieve and even exceed the Early Learning Goals.

We work closely with the parents/carers of our high achieving children to ensure that their individual needs are met and their talents fostered. We ensure that these children are challenged appropriately to reach their full potential.

We strongly believe that early identification of children with additional needs is crucial in enabling us to give the child the support that they need and in doing so, work closely with parents/carers and outside agencies. We have a designated full time Inclusion Leader in school who supports us with any additional needs a child may have.

The Role of Parents and/or Carers

We recognise the central importance of parents/carers as children's first educators. We believe they have a significant role to play in the lifelong education of their child. We strive to create and maintain partnerships with parents/carers as we recognise that together, we can have a significant impact on a child's learning. We

welcome and actively encourage parents to participate confidently in their child's education and care in numerous ways.

- Holding information evenings before the children start school;
- Talking to them about their child's interests and needs during our introductory sessions in school and at our home visits carried out each July or September;
- Being welcoming and approachable and having an open-door approach for parents to voice concerns/ask questions;
- Inviting them to parent consultations in the Autumn, Spring and Summer Terms to discuss their child and share both progress and next steps for learning;
- Encouraging and valuing parents' contributions to learning journeys;
- Inviting parents into school for 'Come and Learn With Us' afternoons;
- Encouraging parents to read with their child at home – sharing stories and celebrating their children's phonics progress
- Providing curriculum planning overviews for each enquiry, each term and highlighting how they can support their child at home;
- Inviting parents into school for a 'Reading and Writing Workshop' to explain how we teach children to read and write and give them the confidence and ideas to support their child;
- Welcoming parents as volunteers into our school;
- Providing parents with an annual mid-year report and an end of year summary report detailing achievements and their child's EYFS GLoD profile;
- We also draw on our links with the community to enrich children's experiences by taking them on outings and inviting members of the community into our setting to talk about their lives, work and experiences.

Transitions

Transitions are carefully planned for and significant time is given to ensure continuity of learning and care. At times of transition, we acknowledge the child's needs and establish effective partnerships with those involved with the child and other settings. Children attend a number of introductory sessions with their parents/carers into Wrens Class to help develop familiarity with the school and practitioners. Our Reception staff also visit the local nurseries and preschools in return, to familiarise themselves with the children.

Parents/carers are encouraged to take up the offer of a home visit (by the Reception class teacher and Teaching Assistant) or have the option to instead meet with Reception staff in school. This is a valuable time to talk 1:1 with them and answer any concerns they may have.

At the end of the EYFS, our Reception teacher meets with the Year 1 teacher to liaise with them and discuss the individual children and their specific needs. The children's assessment data and writing books are sent with them into Year 1 so that their new teachers are able to plan for their 'next steps in learning' from the moment they enter their new class. Children spend a number of sessions towards the end of the school year in the Year 1 classroom OR with the Year 1 teacher in Wrens Class to ensure that they are familiar and comfortable with their new teacher and are 'next year ready'.

Monitoring of the EYFS

We are committed to providing the best possible experiences for our children. The EYFS Leader is responsible for monitoring provision, teaching and learning and children's progress. Information is shared with the Headteacher, SENDCo, Assessment Leader and Reception team as appropriate and any necessary actions are taken.

All adults in the Reception team have a key role in children's learning and development. Therefore, they are required to be knowledgeable and skilled in the EYFS curriculum. Any training needs for existing or new members of staff are identified and addressed as part of performance management targets.

Starting School Questionnaire: September ____

Your child's full name:

The name they like to be called:

Your child's date of birth:

Have you managed to activate Tapestry? (Own child's and two info pages)

Any other adults to add to Tapestry?

Who does your child live with?

Names and ages of any siblings:

What languages are spoken at home?

Who will be bringing/collecting your child to/from school?

Is your child right or left handed or as yet undecided?

Any medical or special needs information we need to know?

Glasses? Inhaler? Allergies? Speech concerns/been to a speech therapist?

What types of activities does your child...

Enjoy most?

Not enjoy?

Do they have a special friend starting school with them?

Anything else we need to know?

Do you have any worries? Know where to go in the morning?

Pupil Premium?

Your child may be eligible if you receive any of the following benefits:

Universal Credit (provided you have an annual net earned income of no more than £7,400, as assessed by earnings from up to three of your most recent assessment periods)

Income Support

Income-based Jobseeker's Allowance

Income-related Employment and Support Allowance

Support under Part VI of the Immigration and Asylum Act 1999

The guaranteed element of Pension Credit

Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)

Working Tax Credit run-on – paid for four weeks after you stop qualifying for Working Tax Credit

Next week: part-time or do you need full-time?

TRANSITION/INDUCTION PLAN FOR NEW INTAKE

1. VdV to visit nurseries on these dates: (edit nurseries as required)

Leaping Frogs:

~~Topsyie:~~

Tops Day Nursery:

Little Gems:

Flying Start:

Stower Provost:

Childminders:

2. 'Welcome to Wyke' induction sessions for the new children WITH their parents/carers remaining on site during the visits. Recommend that children attend a few of them.

On these Friday afternoons from 1:15-2:30

Friday ____ June

Friday ____ June

Friday ____ June

3. 'Move Up Afternoon' for the children to attend school WITHOUT their parents/carers:
_____ July 1-3pm
4. VdV (and a TA) to do 'opt in' home visit for children on these dates (otherwise a parents' interview in school as an alternative):
July _____ parents to sign up to a time during the Parents Evening meeting.
5. Nurseries to visit Wrens:
Topsie Rabbit:

Tops Day Nursery:

Little Gems:

Flying Start:

Stower Provost:
6. Information evening for parents and carers on _____
At the meeting parents to sign up for home visits and also make clear if they'd like their child part/full time September.

Induction in September:

Week 1: Home Visits and children mornings only. (home visits afternoons)

Week 2: Choice of part time (mornings only) or full time

Week 3: Everyone full time (exceptions may apply)
