

English

In Drawing Club, we will develop our pleasure for reading, explore vocabulary and listen to and discuss a range of stories. We will be writing about the stories and remembering to use punctuation.

We will compose a sentence orally before writing it. We will remember to leave spaces between words.

We will continue to learn our phonics to help us to read and write.

Physical Education

As athletes, we will be learning to Run, Jump and Throw, and Hit, Catch and Run!

Religious Education

In RE, we will be learning about Judaism focussing on why Jewish families talk about repentance at New Year?'

Robin and Owl Class What could my classroom be made of?

Autumn Term 1

Curious City Science

As Scientists, Engineers and Artists we will be learning if materials are either natural or made and are used in buildings and parts of construction for a reason, not just because they look good. We will be understanding that material choice is often a mixture of strength, joining ability and aesthetics. For our final challenge will be designing a new area for the school, deciding what material to use and why that is the best fit.

Music

As musicians, we will find out what timbre means, identify percussion instruments by their sound and use untuned instruments.

Mathematics

As mathematicians, we will begin by learning about place value. We will be counting, recognising, using more/less, comparing and ordering numbers. For the second half of the term we will focus on addition and subtraction. We will concentrate on number bonds to 10 and 20, doubles, fact families, adding 1 digit numbers and subtraction.

Art/Design Technology

We will be designing a new area for our school.

PSHE

In PSHCE, we will be thinking about what is like to be us – Who are we and how do we fit in? The children will be learning about being part of a class and feeling special and safe.

Computing

We will be finding out about how we use technology around us in Computing.
